Baking Helps

Valuable Suggestions
By Mrs. Nevada Briggs, Expert of the Art of Baking, as taught by Mrs. Janet McKenzie Hill
Helpful Cakes Making Blits

Always sift flour and K C Baking Powder at least three times. The more sifting, the lighter the cake. Remember that! To cream butter and sugar quickly, warm the sugar slightly. Beat yolks of eggs with rotary beater. Whip whites of eggs with flat spoon- whip. Water makes lighter cakes; milk makes richer cakes.

To mix a cake, first cream butter and sugar thoroughly, then add yolks, if used. Then alternately add moisture and flour that has been sifted with baking powder and stir until smooth and glossy, adding egg whites after thoroughly mixing.

Always use K C Baking Powder.

Biscuit Helps

Always sift flour and K C Baking Powder at least three times.
Have shortening cold and firm. Mix dough as soft as it can be handled. The softer dough goes into the oven, the lighter the biscuit when it comes out. It is easier for K C Baking Powder to do its work in soft than in stiff dough. Mix biscuits very little. Do not knead. Stir up with spoon or knife and press in shape to roll on floured board.

With K C Baking Powder results are sure and certain. Ask your grocer for K C.

Women's Organizations

It is possible that the long planned Rescue Home will be started within the next two weeks. S. E. Patton, the architect for the home, reported at the meeting of the Rescue Workers' association, held Saturday afternoon, that the work could be started upon the building by that time. At the meeting the reports of the membership and finance committees were reported. The various trades unions given support and outlook for the home is more encouraging than it has ever been. The meeting was held in the city council room and was attended by about 35 people. As the Rescue home will be the only one of its kind in this district of the southwest, it was decided that a visit should be made by a representative of the rescue association to the cities of Los Angeles, San Francisco and other places in Arizona and New Mexico to secure the cooperation of the people in these places, and Mrs. A. Pitt was selected to make this trip. She will leave some time within the next month. An address on the white slave traffic menace.
